PROMESA
Title III

No. 17 BK 3283

(Jointly Administered)

Supplemental Response to Debtor's Objection to Claim(s) (Number(s) : (**claim 9658**) re: **Colon Arroyo, Ana**, included in Debtor's Omnibus Objection to Claims Ninety-Seventh; (The "**Ninety-Seventh Omnibus Objection**"); (**Claim. 11329**) re: **Diaz Ramos, José**; (**Claim 7551**) re: **Figueroa Ayala, Jose**; and (**claim 8867**) re: **Figueroa Pérez, Agustín**, were included in Exhibit B, omnibus objection no. Ninety- Nine; (the "**Ninety-Nine Omnibus Objection**"); and (**Claim 93330**), re: **Vega Miranda Catalina**, was included in Exhibit B, of the one hundred eight omnibus objection (the "**One Hundred Eight Omnibus Objection**"), (Non-Substantive) of the Commonwealth of Puerto Rico, Puerto Rico Highways and Transportation Authority, and Employees Retirement System of the Government of the Commonwealth filed by The Financial Oversight and Management Board for Puerto Rico, as Representative of the Commonwealth of Puerto Rico, et al.

To the Honorable United States District Court Judge Laura Taylor Swain:

1. Scheduled for hearing on July 29, 2020 are various objections to proofs of claims filed against, *inter alia*,

- a. **Colon Arroyo, Ana**, (**Claim no. 9658**), inactive employee ADSEF , was included In Exhibit B of the Omnibus Objection num Ninety-Seventh. On 01 / 13/20 the appearing creditor, filed her response to the Ninety-Seventh Omnibus Objection (DK 9846)
- b. **Diaz Ramos, José** (**Claim no. 11329**, [ADSEF]; On 01/13/20 the appearing creditor filed his response to Omnibus Objection no. Ninety-nine, Doc#:9847
- c. **Figueroa Ayala, José Emilio** (**Claim no. 7551**)[Secretariado]. On 01/ 13/20 Appearing creditor filed his response to the Ninety-Nine Omnibus Objection (DK 9848)
- d. **Figueroa Pérez, Agustín** - (**Claim 8867**) [secretariado] was included in Exhibit B, Omnibus Objection no. Ninety-Nine. On 01 / 13/20, the appearing creditor filed his response to the Ninety-Nine Omnibus Objection DOCKET 9849,
- e. **Vega Miranda Catalina**, (**Claim no. 93330**), [ADFAN], was included in Exhibit B, of the One Hundred Eight Omnibus Objection (the "One Hundred Eight Omnibus Objection")

On 01/ 13/20 the appearing creditor filed her response to the One-hundred Eight Omnibus Objection (DOCKET 9850)

2. That the Debtor objected above identified Claims based on a general and conclusory assumption as to that: "Proof of Claim purports to assert liabilities associated with the Commonwealth of PR, but "fails to provide any basis or supporting documentation for asserting a claim against the Commonwealth of PR or any of other Title III debtors".
3. However, contrary to what is alleged by the Oversight Board in the preceding paragraph, on 01/13/2020 appearing Creditors submitted to Prime Clerk, in their individual responses, with the copy of the judgment entered by the Court of First Instance of San Juan, Puerto Rico, in the Nilda Agosto Agosto-Maldonado, Plaintiffs Group; collectively Agosto Maldonado, Nilda A. y/o 504 K PE 2005-0608; and the pertinent documents setting forth the amount of the individual claims, by virtue of the judgment entered.
4. Because here, the Debtor arbitrarily failed to address and make reference in the Omnibus Objection filed against the appearing creditors, to the final judgment they have in their favor, it is a clear indicator, that the debtor have not presented, a "legitimate legal or factual basis" to challenge the judgment creditors claims. See *Nat'l City Bank v. Troutman Enters. (In re Troutman Enters.)*, 253 B.R. 8, 12 (6th Cir. BAP 2000)
5. In order to supplement the original response and establish beyond any doubt, Debtor's misrepresentations, and specific knowledge, possession and control of pertinent documents, concerning the judgment entered in favor of the individual creditors above identified case, included as Exhibit 1, the complete list of creditors included in the Nilda Agosto –Maldonado judgment, with reference to the corresponding number of the proof of claim, filed by each creditor; Exhibit 2, Schedule prepared by the payroll office of the Administracion Desarrollo Socio Economico (ADSEF); Exhibit 3, Schedule prepared by the Administracion de Familias y Niños (ADFAN) indicating amounts owed to respective creditors; EXHIBIT 4, payroll schedule prepared by the Secretariado of the Family Department, and statement of amounts owed to the individual group creditors in the case of Nilda Agosto-Maldonado, et als,
6. In view of the above, we submit that, due to the fact that the judgment in the case of Nilda Agosto Maldonado, et als, was entered before commencement of the Promesa case, when it is considered the extraordinary number of judgment creditors, it becomes clearly evident that debtor's selective Omnibus Objections, may be interpreted as a willful attempt to illegally defeat, discriminate or evade the payment to the five judgment creditors herein identified. See *In re Rimell*, 946 F.2d 1363 (8th Cir.1991), cited in *Marketing & Creative Solutions Inc. V Scripps Howard Broadcasting Co.* 338 B.R. 300, 305 (B.A.P. 6th Cir. 2006)

7. Also is pertinent to bring to the consideration of this Honorable Court, that pursuant to Paragraph I.H of the this Court's June 8, 2020 Twelfth Amended Notice, Case Management and Administrative Procedures order [Docket No. 13383-1] (Case Management Procedure) the appearing creditors hereby certifies that they have carefully examined the matter and have made a bona fide efforts to resolve the matter without a hearing; has made reasonable, good faith communication by previously submitting to the Oversight Board Attorneys and with the Claims Resolution Process, as representatives of the Oversight Board, a written request, in an effort to obtain a voluntary withdrawal of above identified Omnibus Objections, and recently made a follow up on the same, but did not received response.

8. For the reasons above stated appearing judgment creditors contends they hold a genuine claim against the Commonwealth of Puerto Rico's Family Department and that any additional information or document needed to establish the judgment enforcement, is in possession of the Debtor's, based on the documents included herein, in opposition to the pertinent Omnibus Objections.

9. In light of the above, appearing claimant's reserves all rights under PROMESA, the Bankruptcy Code or any other applicable law, to further object dismissal of their claims.

WHEREFORE, pursuant to governing law, it is respectfully requested that this Honorable Court GRANT this Motion in all its parts, and the above identified claims be allowed and issue an ORDER dismissing with prejudice, the individual Omnibus Objections presented by the Oversight Board, in order to provide equal and just treatment to all judgment creditors accumulated in the case of Nilda Agosto Agosto-Maldonado, Plaintiffs Group; collectively Agosto Maldonado, Nilda A. y/o 504 K PE 2005-0608; and to entry any additional Order, as it may be proper, to guarantee individual claimant's receive full satisfaction in the payment and distribution of their claims, since it arise under ordinary course of employment matters.

RESPECTFULLY SUBMITTED, in San Juan, Puerto Rico, this 29th of June 2020.

IT IS HEREBY CERTIFIED, that on this same date we have electronically filed the foregoing motion with the Clerk of the Court using the CM/ECF System, which will send notification of such filing to all counsels of record.
